25th August 2017**

*Supported by
The Rotary Club of Rushmoor*

"Diabetes UK"*

Team Entry Form

This year's Charity Pro-Am is, we are hoping, going to be bigger and better than before. Players with official club handicaps (*please bring current certificate on the day*) may enter a team on a first come, first served basis,

The team cost for three players, including lunch and 18 holes with a HPGA Club Professional is £180.

This is the premiere event in Southwood Golf Club's calendar, run entirely by volunteers, so all the profits made will go to "**Diabetes UK**". More details about the charity are available on their web site (www.diabetes.org.uk).

More details on team sponsorship opportunities are available from Chris Hudson, Club Secretary or Kevin Mack, Committee Chairman (*at the address below*).
