Honiton Golf Club Ltd., **"Ride on Buggy" Self Medicating Certificate**   HGC.10.C03

Any person using a mechanically propelled, single seat Ride-on Buggy or Club Car on any premises belonging to Honiton Golf Club Ltd do so entirely at their own risk and in the deemed knowledge that the golf course is undulating, presenting natural and obvious hazards to Ride-on Buggies and Club Car users.

Honiton Golf Club Ltd has also decided that it would also be beneficial to develop a policy that encompasses all members who, while not fulfilling the legislative definitions of being disabled, need the help provided by a motorised ride-on buggy to play golf.

I would like to apply for the use of a Ride-on Buggy ☐   Club Car ☐

Name:	
Address:	
	Post Code:
Type of Membership:	

Please explain the reason you are unable to play golf without the help of a golf buggy.

Please supply an independent person that can confirm the information you have given is correct and would validate your application.

I confirm that the above named person has given a valid reason for applying to use a buggy at HGC.
