**Junior Coaching** – Now that the summer holidays are almost over, the coaches are looking forward to seeing all of our junior members returning to Thursday evening junior coaching for the remainder of the season.

**Allan Martin, ClubGolf Professional**, will be coming along for the next three Thursdays to help you and the coaches explore new ideas on how we can improve our golfing service.

**ClubGolf Stage 3 Juniors** – Our handicap section have had an excellent year with almost all of them reducing their handicaps and achieving winning places in almost every competition they have entered. Seven of them are in contention for P&KCG's 'Race to Kingsbarns'. There are only twelve places available in both the Scratch and Handicap Section so we certainly hope by the end of the series, there will be some MGC Juniors amongst them. Both our Scratch Team and our Bells Handicap Team are in the semi-finals. We wish them good luck!

**ClubGolf Stage 2 and Stage 2 Development Juniors** – We are hosting our first Inter Club Match against Milnathort Juniors today (Wed 10 August). It will be a new experience for them as this will be their first introduction to competitive golf, so we look forward to hearing how they got on. Here is the pre-match photo .....

**ClubGolf Stage 1 – Beginners** – 13 new juniors have joined this section. They came to our Primary School Taster Sessions and ClubGolf Camp in July and then joined the Club where they are most welcome.

**Thursday 17 August : Golphin for Kids – Kevin McAlpine** – Kevin will have the junior clubs on display – parents are welcome to come along to see the demo and then try these out with the kids. The clubs are designed in a way to make it easier for youngsters to use and Kenneth will be on hand to give advice.

**Second Hand Clubs** – Thanks to Scott Marshall, as he has handed in a second hand set of Jessica's club if any juniors were interested in purchasing them. The cost is £10 for the set of junior clubs which includes a golf bag. The money goes to the junior section. Either speak with Christine, myself or David in the Golf Shop.

Please do not hesitate to get in touch if I can assist you in any way.
