Members Communication – Exchange Days 2018

Many members will be familiar with these events but, for the benefit of others, here is a broad outline of the day.

We play on another course, whilst their members play on ours. This leaves us free of green fees so we pay mainly for bacon butty and coffee on arrival; a meal afterwards and a contribution to prizes. The cost is usually in the region of £25. Drinks from the bar are not included and, often, an optional coach has been organised from Easingwold with additional cost depending on demand.

The Captain organises teams of roughly equal total handicaps, so each team usually ranges from single figure/low teens to high 20's in handicap terms and it's usually 2 to count on each hole. Generally it's in the region of 10 teams of 4. First tee is usually 10:30, so meal late afternoon and home by 6 or 7pm.

The men are going to Hartlepool which is a lovely course and this year we are going to play it in the dry!! Just as good but inland we go to Wakefield, and also have what to some will be a complete change when we got to Howley Hall (which is in Morley just off the M62 - and which claims to have the best finishing holes in Yorkshire).

Also on behalf of the men, the Rabbit section are to organise a day at Bishop Auckland, but not restricted to Rabbit golfers.

The ladies plan trips to two delightful courses - Hartlepool, where once again it will be dry and sunny, and Eaglescliffe.
