

The Society of 1908 Golf Clubs

The Society of 1908 Golf Clubs was formed in 2001 with eight member clubs, which were all founded in the year 1908. There are now 25 member clubs, with more joining the Society each year.

The Society's objective is to promote friendship between clubs and enable members to play at other member clubs on a reciprocal basis.

Where courtesy is given by a member golf club, it should be for up to 4 players at a time and subject to the visitors calling the chosen golf club in advance to arrange a date and tee time.

Where Society Clubs are within 50 miles of one another, it has been agreed that a charge of 50% of the normal green fee is made. **Kingsknowe Golf Club** is currently the only 1908 Society of Golf Clubs within a 50-mile radius of Muckhart GC.

Some Member Clubs are not privately owned therefore they are not able to provide courtesy of the course. Currently there are 2 clubs in this category which are : **Frilford Heath GC** and **Hollingbury GC** .

Stoke Park GC, also known as Stoke Poges, has a daily green fee of £125. They have agreed to reduce this fee to £75 subject to a booking being made through their club shop on 01753 717172.

Vale of Llangollen GC and Ripon GC are to charge a 50% green fee for all visitors because of the excessive demand to play their courses.

The Directors at Muckhart GC continue to pursue initiatives in order to enhance the value of membership of the golf club. We will continue to update members as new opportunities arise to expand your golfing opportunities and enjoyment.
