

House Committee Report, January 2019

Members and their guests continue to enjoy our lovely clubhouse and facilities. The clubhouse is looking very festive as I write this in December and many of you will have enjoyed the events that have been put on by the club and the social committee. The Christmas carvery was a sell-out success and there was a packed clubhouse for the champagne brunch and Christmas draw.

House Budget: Running costs remain on track and combined bar and catering takings projected for the year should exceed plan.

As reported the last newsletter, the Club has been investigating ways in which we can increase the pressure/efficiency of the showers in the men's locker room. At the last House meeting it was agreed that we would install a compressor which will give us more reliability when numbers are high

Please continue to support your Club with its' many and varied golfing and social activities.

It just remains for me to wish you and your families a very Merry Christmas and a happy and healthy 2019.

If you have questions, concerns or suggestions on any House issues please feel free to contact me – my email address is taylor396@btinternet.com.
