Free iPhone/Android App for Bishop Auckland Golf Club

Bespoke App – updated 4 April 2019

On and Off course tools

Free to download

On your App Store search for and install the

My Caddie App

Enter your details and select a course, even an away course

if one is available that you intend to play

Native to iPhone and Android, not a 'mobile website'

that relies on 3g/4g or Wi-Fi

Once downloaded it can be used anywhere

GPS incorporated into the App for distances to the green

3D Flyovers built in

Pin positions (as up to date as possible)

Book Tee Times

Links to some pages on the club website
