

## Malkin's Bank PCDA Challenge

### 15th June 2013

Malkin's Bank's PCDA event was an overwhelming success where even the weather was kind.

European Tour Pro Andrew Coltart took part in the event and helped to present the powered wheelchair in the evening. Stoke City FC Old Boys were also there and, although Jimmy Greenhoff was unable to play due to an ankle injury, he was present for 3-4 hours of the event supporting and socialising.

The disabled and Battleback golfers, including 21 year old Alasdair Berry (reigning Disabled British Open Champion), were a huge success and highly inspirational.

The course was immaculate and there were some good scores but no run away scores, mainly due to Captain's choice of pin positions!

The winning Team was Advanced Training & Recruitment from Stoke, Andrew Coltart's team came second and Team IMAG from Congleton came third. Winning individual was Simon Earles (39 points), second was Andy Mills (37 points) and third was club-member Alison West (37 points). There was also a very credible score of 37 points from 11 year old Ben Brookes playing off 24 and off the same white tees.

During the evening, a powered wheelchair was presented to 15 year old Dominic Morgan who suffers from Duchene Muscular Dystrophy. The emotion around the room was clear to see.

The event was primarily to raise funds for The Peter Alliss Masters Golfing Society Charity and a surprise letter from Peter Alliss was read out personally thanking the club for its involvement with the charity.

Malkin's Bank's target at the start of the year was to fund one powered wheelchair. With hole sponsorship, raffle, auction, donations and money raised from the chance to win a car as a hole in one prizes (courtesy of Stuart Graham Honda, Crewe), funds raised from the event currently stand at an amazing £6,600. For a club the size of Malkin's Bank, that is a massive achievement, of which the Captain, Ladies' Captain and the club should be extremely proud.

The amount raised will not only fund the chair presented to Dominic, but will also fund another powered wheelchair for a child who has already been nominated. Additional to this, the club is well on its way to being able to fund a third powered wheelchair for someone else later in the year.

Overall, this is an extremely rewarding result for all the hours of planning that went into the event and our thanks go to everyone at Malkin's Bank GC for their superb efforts.

## Moving letter from a wonderful parent

### May 2013

Owen Finn's Mum pens a moving letter of thanks from the family.

This is a perfect example of what this charity means, not just to the child but to the whole family.

Thank you Carol, John and family for taking the time to write to us and share with everyone what a huge difference can be made.

## CHINESE BANQUET 20th January 2013.

Members and friends of Helsby Golf Club Powered Wheelchair Appeal enjoyed a super Chinese evening at the Fortune Palace in Delamere.

A delicious banquet was complemented by stand up bingo, a raffle and a fun quiz.

The highlight of the evening was the presentation of the PWA's 308th powered wheelchair, this time to Dominic Antwis, aged 12, from Runcorn.

Despite being blind and with very limited abilities, Dominic is a happy child and loves to listen to nursery rhymes and being taken out in his chair.

He was recommended by Sandra, his teacher & carer at Russett School in Weaverham, who is also wife of Helsby GC member Tony Insley.

With Dominic were his Mum Caroline, Dad Darren, sister Abbie, Nan Carol & Granddad Ken.

Also on the night, a cheque was presented for £3,000 by Frank Noel, MD of Moore Finance Ltd (Warrington) and the Moore Foundation. The latter is a charity trust focussed on supporting children in need and other good causes. He was accompanied by his wife Tracey. The funds were raised in a charity golf day jointly with RBS Warrington, represented by Phil Evans.

Our thanks go out as always to our wonderful supporters, without whom many children and their families would struggle given the lack of state support in relation to powered wheelchairs that make such a difference to their lives.

## 31st WHEELCHAIR CLASSIC

Thursday 13th June 2013

This year's event was indeed another 'Classic'. Although the weather was not great, the turnout was brilliant and some excellent results were recorded.

We welcomed a number of sporting celebrities amongst this year's participants including ex-Manchester United and international footballers **Frank Stapleton**, **Stuart Pearson** and **Jeff Wealand** plus best-selling author **David Wilson**.

Following the golf competitions, presentations of powered wheelchairs were made to five wonderful young people followed by prizes to the winning golfers.

The evening then followed with a charity auction hosted by the inimitable Mr Kieran McCabe.

Our sincere thanks go out to the day's sponsor [Jigsaw Law](#), to [NatWest](#) (Chester) and [Electrod UK](#) for their generous donations and indeed to all our supporters and helpers.

The day raised well in excess of **£15,000** all of which goes directly towards the purchase of more powered wheelchairs for deserving children and their families.

You can see more details on the wheelchair presentations and the golf competition results below.

## MEGA DAY – 7th August 2013

These MEGA events just get better and better!

This year's MEGA (Merseyside Entertainers Golfing Association) at Helsby Golf Club was lead by the inimitable **Ricky Tomlinson** who provided great entertainment along with fellow entertainers comedian **Mick Miller**, guitarist **Garry Murphy**, singer **Joe Wall** and music duo **The Chimes**. The guys really gave us top class entertainment and our sincere thanks go out to them all for their support.

Funds raised leading up to and during the event allowed us to make 2 more powered wheelchair presentations – the club's 315th & 316th since the crusade began.

The first presentation was to **Jordan Duke** aged 16 from Prenton on the Wirral. Jordan was at Woodchurch High School until the end of last term where his favourite subjects were sport, maths and art. He does a lot of drawing at home and is football mad, supporting Liverpool FC. He plays wheelchair football for Everton and has been approached by them and offered an apprenticeship as a sports coordinator. This will involve learning how to be a coach for other disabled people. Liverpool FC is also trying to get him on an FA training course and he enjoys going to their ground at Anfield to watch the players training. The new chair will give him the freedom and independence to go out with friends who are not disabled.

The second presentation was to **Connor Webb** aged 11 from Widnes. He has been at Oakfield School but starts at Chestnut Lodge in September. He likes all subjects but his favourites are sport and art. Connor plays wheelchair football for Everton and Halton Hawks and has been doing a lot of other wheelchair sports with Mark Eccleston including mini Olympics. Last year, Connor won Young Sportsman of the Year for Widnes which was presented at the Widnes Rugby Ground. He is football mad and supports Liverpool FC.

The day also saw some great golf and everyone taking part commented on how much they enjoyed the course. The competition results were as follows:-

1st: Brian Stott, Marcus Lightfoot, Neil Johnson & Bryan Kramer (MEGA)

2nd: Dave Harries, Paul Crombie, Neil Graham & Reg Bowden (MEGA)

3rd: Ian Oliver, Val Oliver, Phil Davies & Ian Robinson (MEGA)

Nearest the Pin: Richard Brown

Nearest the Line: Paul Staunton (MEGA)

Thanks to everyone who took part for your support.

Thanks also to [Aqueduct Marina](#), Church Minshall for its support – click [here](#) for details.
