

## Our Aims

The Peter Alliss Masters exists to raise funds to buy powered wheelchairs for children and young adults with very limited mobility to improve their quality of life and that of their families on whom they are otherwise totally dependent.

Between 1975 and 2006, golf clubs and organisations raised over £6 million to fund hundreds of powered wheelchairs with zero funding from the state.

Since 2006, when the Peter Alliss Masters crusade was fully registered as a charity, it has raised over **£1.5 million** and bought over **450** powered wheelchairs.

Supporters enjoy many golfing and social fundraising events culminating in the annual '*Peter Alliss Masters*' golf tournament.

## How We Operate

The Charity works to encourage, support and reward clubs, societies and other organisations who get involved raising money, in their own name, to buy chairs for young people in their local area.

The charity has a relationship with a number of mobility dealers with whom we operate a 'Golf Chair Scheme'. It is through this scheme that all the powered wheelchairs are purchased. The dealers, who work closely with both ourselves and the donating clubs, are key in identifying suitable children and matching their individual's needs to an appropriate chair.

Chairs are usually handed over by clubs to local children, and their families, at a low key ceremony at their club with many club members in attendance. Additionally, some clubs donate chairs for presentation at our annual '*Peter Alliss Masters*' golf tournament or at notable events such as the '*Open Championship*'.

## Our Patron: Peter Alliss

Born in 1931, Peter decided at the age of sixteen to follow in his famous father Percy's footsteps and make a living playing golf. During a long and distinguished career, Peter won three British PGA championships, played on eight Ryder Cup teams and represented England in golf's World Cup ten times. He won twenty-three notable tournaments in all, most memorably in 1958 when he won the Italian, Spanish and Portuguese Open Championships in successive weeks. Since his time as a player, he has become known as a widely knowledgeable commentator with an instantly recognisable style that has endeared him to millions for whom he is simply "The Voice of Golf". Peter was inducted into the "*World Golf Hall of Fame*" in 2012 in recognition of his lifetime achievements.

## The “Peter Alliss Masters”

In recognition of the effort put into fundraising, the Charity runs a prestigious annual golf tournament known as the “Peter Alliss Masters”.

Places are determined by the level of funds raised with costs met by the kind sponsorship of the Charity by the golf chair Dealers and manufacturers.

The event is run over two days: Day 1 involves an optional Practice Round followed by a Reception Dinner; Day 2 involves the Tournament, presentation of powered wheelchairs and the Tournament Dinner.

Guest speakers entertain and formalities conclude with the presentation of the coveted Green Jacket for the Men’s winner and a separate prize for the Ladies’ winner.

### Old Thorns Golf & Country Estate in Hampshire is the venue

In addition to the organised Tournament events, guests can enjoy the hotel’s many other excellent facilities including the pool and gym.
