# Introduction

Welcome to Bury St Edmunds Golf Club

We are very proud of our club, with 2 fine golf courses and social facilities to match. There's a welcome to members and guests alike.

Our 18-hole championship course often hosts regional competitions by virtue of the test of golf, all year round playability and our commitment to maintaining the high quality of the course. Indeed, as a member-owned club all 'profits' get re-invested back into the courses and facilities, and we have an on-going programme of course and club improvements.

Our 9-hole course enjoys the same high quality, and is a popular Pay-&-Play facility used by many in mid-Suffolk to learn and hone their game before taking the next leap.

If you are considering holding a Corporate/Society Day at Bury Golf Club, then why not consider involving the Pro Shop, and add that little something extra to your day, the Pro Shop can offer a variety of services that can be tailored to suit your requirement:

- Preparing Scorecards
- Holding Golf Clinics
- Beat the Pro
- Managing Competition Results
- Providing Prizes/Vouchers

Bury St Edmunds Golf Club requires both its members and visitors to respect and maintain the standards of a traditional golf club.

## 18 hole Course:

Smart, conventional golf clothing should be worn at all times. Denim jeans, collarless shirts, combat/cargo shorts are not accepted. Golf shoes must be worn on the 18 hole course.

## 9 hole Course:

Although conventional golf clothing would be preferred a relaxed dress code has been adopted on the 9 hole course. Trainers may be worn, but golfers must be aware of and accept the risk of slipping and/or loss of footing. Bury St Edmunds Golf Club will accept no responsibility for accident or injury caused, or contributed to, by the lack of proper golfing footwear.

## Clubhouse:

Smart casual dress, no spikes, caps or waterproofs. Denim jeans may be worn. T-shirts, football shorts are not accepted.

Laptop, iPad and mobile phones may be used discretely to surf the internet inside the clubhouse. Free guest WIFI is available.

## Mobile Phone Policy:

Phones may be taken on the course for use in genuine emergencies only and must remain on silent. Mobile phones may be used discretely outside the clubhouse.

# Health & Safety

## The following is advice for all golfers using the Club's facilities

1. Be aware of cars reversing into/out of spaces and golfers walking across the car park.
2. Be aware of the dangers associated with trees especially during and after adverse weather conditions.
3. Have knowledge of the Rules of Golf and, in particular, Rules of Golf Section 1 Etiquette
4. Prior to playing a stroke or making a practice swing the player must ensure that no-one is standing close by or in a position to be hit by the club, the ball or any loose impediments which may be moved by the stroke or swing.
5. Do not move, talk or stand close to a player who is addressing the ball or making a stroke. Players must not play until the players in front are out of range.
6. Wear footwear suitable for the ground conditions. Be aware of slippery surfaces during adverse weather conditions.
7. Obey the directional rules on the practice areas.
8. Ensure that you have adequate insurance cover for any risk associated with using the facilities.
9. The Fire assembly point is in the main car park, adjacent to the entrance to the 9-hole course. Fire instructions and procedures are published in the Clubhouse.
10. **Adverse Weather Conditions.**
  - a) **Fog:** In foggy conditions, the head Greenkeeper has the responsibility to judge whether or not visibility is adequate to allow the safe continuance of play. As general guidance if the bunkers on the left side of the 1<sup>st</sup> fairway at approximately 200yds from the Men's tee cannot be seen then play is not permitted.
  - b) **Lightning:** In the event of lightning in the area, every effort will be made to warn players to vacate the course. A siren operates with three blasts. Local conditions may prevent the siren being heard across the full course. However, all players must exercise due diligence and take the appropriate action under dangerous conditions.

## Risk Assessment – General for the 18 hole & 9 hole Courses

1. Be aware of golfers on adjacent holes, and also golfers immediately in front and on the same hole – if in doubt the player **MUST** shout the warning of 'FORE'
2. Be aware of Green keeping staff and machinery on the course. Give staff a chance to vacate the area.
3. Read the course notices displayed at the 1<sup>st</sup> and 11<sup>th</sup> tees and entry to the 9 hole course.
4. Users of 'buggies' should be aware of, and take precautions to reduce the dangers associated with a mechanically propelled vehicle. Drivers should be aware of the danger of being too close to severe slopes, bunkers etc.

## 18-hole Course

- a) Golfers on the Men's and Ladies 5<sup>th</sup> tees, should be aware of golfers on the 8<sup>th</sup> hole. Warning signs are in place.
- b) Golfers playing 11<sup>th</sup> & 12<sup>th</sup> holes to be aware of blind brow of hill
- c) Golfers on the 8<sup>th</sup> hole, should be aware of golfers on the Men's and Ladies 5<sup>th</sup> tee. Warning signs are in place.
- d) Golfers playing the 18<sup>th</sup> hole, should be aware of Golfers on the practice ground to the right and the chipping/putting green in front of the Clubhouse.
- e) On the 18 hole course, there are huts providing shelter at the 1<sup>st</sup>, between the 3<sup>rd</sup> & 5<sup>th</sup> tees, and at the 11<sup>th</sup> tee.
- f) Water fountains are sited near the 5<sup>th</sup> tee, 11<sup>th</sup> tee and 15<sup>th</sup> green. (Summer only)

## 9 hole Course

- Hole 1 Beware golfers playing on the 8<sup>th</sup> tee and players from 9<sup>th</sup> hole – and the B1106 on left hand side
- Hole 2 Beware golfers playing on the 7<sup>th</sup> green – and the B1106 on left hand side
- Hole 3 Beware golfers playing down the 6<sup>th</sup> hole and 2<sup>nd</sup> green

- Hole 5 Beware golfers playing on the 4<sup>th</sup> green and 6<sup>th</sup> tee
- Hole 6 Beware golfers playing on the 5<sup>th</sup> green and main course on left – the 3<sup>rd</sup>, 4<sup>th</sup>, 7<sup>th</sup> and 8<sup>th</sup>
- Hole 7 Beware golfers playing down the 2<sup>nd</sup> hole

## Emergencies

Emergency vehicles enter through the main entrance and should be met and directed to the emergency. Club Rules require mobile phones to be switched off or to silent in the Clubhouse and on the course. However, they should be used to summon help in emergency situations by telephoning the Clubhouse (01284 755979) or Professional Shop (01284 755978)

The Head of Bar & Catering has access to a first-aid kit sited in the office and can also telephone emergency services. A list of Qualified First Aiders is on the notice board outside the General Office. Defibrillator equipment, and a list of trained users is available in the foyer outside the changing rooms.
