

West End Golf Club Rules

The Organising Committee would like to draw your attention to our OPEN Club rules, shown below, which cover Dress and Handicap information, amongst others.

Whilst we do not normally require proof of handicap from Visitors, it is expected that players will have a good understanding of the Rules and Etiquette of Golf. **HANDICAP CERTIFICATES are expected from all players entering our OPEN Golf Events.**

A minimum standard of smart casual dress is required in the club house at all times and a change from Golfing attire is expected. This dress excludes denims, jeans, trainers, caps, tee shirts, golf waterproofs and all playing wear that has become damp or soiled during the course of play.

At all Prize presentations Men are requested to wear Jacket and Tie and the Ladies should dress in appropriate attire.

On the course players may not wear denim jeans and all players must wear golfing shoes. Shirts with logos other than badges and tee shirts are not allowed. Tailored shorts are allowed. The Ladies may not wear sun tops and shorts must be tailored and of the conventional length.

The use of buggies will only be allowed with a Doctors Certificate and with prior notice. Personal buggies will only be allowed with an Insurance Certificate covering "use on a Golf course" supplied prior to the event.

We look forward to seeing you at West End Golf Club, where you can be assured of a warm welcome, a course in excellent condition with fine dining in our restaurant and a well stocked bar to finish an excellent day's golf.
