Message from Captain Seb Carter.

The Sunday weekly roll up has attracted our new juniors from the Warden Course who are learning the game, the rules and the etiquette. Thank you to Duncan Frazer for his generous support of juniors Thank you also to John McPoland, Bob Russell and Richard Coogan for their generous sponsorship on Captain's Day.

Our professionals continue to work with our juniors once a month showing them some putting routines, correcting their swings and generally encouraging the juniors. Thank you to Michael and Darren

Well done to Chanel Fontaine Geary(aged11) who went to Scotland's Gullane Golf Course during half term to compete in her age group in the US kid's European Championship and also for qualifying for the Abraham Trophy to be played at the Nottinghamshire Golf Club in July. Good Luck Chanel.
