Welcome from the Men’s Section Captain

Now that you are a member of Chesfield Downs Golf & Country Club, I look forward to welcoming you to the Men’s Section. We have competitions and events that will let everyone, no matter their ability, to get the most out of their golf and to meet new friends. The Men's section of Chesfield Downs Golf & Country Club offers a wide and varied choice of competitions for you to enter. There is a good mixture of individual and team fun competitions where it couldn't be easier for you to take part.

If you are new to golf we will help you to acquire your handicap and this is automatically updated when you play in competitions. Golfers only need to play in three competitions a year to keep their handicap active which is also the same number you need to play to be eligible for a prize. There is no need to know other golfers to take part in competitions as we sort that out as well. You will be amazed how quickly you meet people and make new friends.

We have our own website which covers all aspects of the Men’s Section, from joining instructions, obtaining a handicap, playing in competitions, playing in one of the teams (Handicap and Scratch), along with other details on charities, honours boards and much more. You don’t require a password to access this site, it’s simply:

www.chesfielddowns.co.uk

Full details on how to join the section are detailed on the website, but if you would like to start the ball rolling straight away, you can complete the attached form and return this with a cheque/cash for £10 which is a one off joining fee.

I look forward to meeting and getting to know you better in due course. I hope you enjoy your membership at Chesfield Downs Golf & Country Club, happy golfing.
