The Society Organiser shall report to the Shop/Office on arrival, at which time the green fees must be paid unless prior arrangements have been made. The Organiser should pay any additional payments due, or incurred on the day before leaving the Club. Cancellations of less than one week must be paid in full.

OFFICE/GOLF SHOP

When green fees are paid you will be advised of any Temporary Local Rules to be observed.

FORM OF PLAY / STARTING TIMES

The form of play and start times will be agreed in advance between the Organiser and the Club. Play will be from the yellow tees.

DRESS ON THE COURSE

A good standard of dress is expected. Golf shoes must be worn. In no circumstances may jeans, training shoes, collarless shirts or tracksuits be worn. Tailored shorts are allowed when worn with knee-length, or predominantly white sports socks (not trainer socks).

GOLF ETIQUETTE

All members of the Golf Society must have a bona fide handicap certificate or provide evidence of competency and must be fully aware of golf etiquette.

PRIORITY ON THE COURSE AND SLOW PLAY

In the absence of Special Rules, two-ball matches have precedence and are entitled to pass, any three-ball or four-ball match. If a match fails to keep its place on the Course and loses more than one clear hole on the players in front, it should allow the match following to pass.

Players searching for a ball should signal the players behind them to pass as soon as it becomes apparent that the ball will not easily be found. Do not search for five minutes before doing so.

TROLLEYS

Wide-wheeled trolleys are permitted (weather allowing). Motorised buggies are not allowed on the Course except in exceptional circumstances, in all such cases permission must be obtained from the Secretary or Administrator in advance of arriving at the Club. On arrival a valid insurance certificate must be presented and the player must sign a disclaimer.

BUNKERS

Before leaving a bunker, carefully fill up and smooth over all footprints. After use, bunker rakes should be left in the centre of the bunker

DIVOTS

Divots must be replaced.

PITCH MARKS AND SPIKE MARKS

Any damage to the putting green should be carefully repaired using a tool designed for the purpose. Damage caused by golf shoe spikes should be repaired on completion of the hole.

PATHS AND STEPS

It may mean an extra few yards, but keep to paths and always use steps to and from tees, where such steps are provided. Even if you are carrying your golf bag, use the paths and steps.

GREENS

Greens should never be used as 'straight line' paths, even if you are carrying your golf bag.

GREENS STAFF

The maintenance of the Course is proceeding at all times, but the greens staff will interfere with your golf as little as possible. However there may be times when they will be working on a hole, which you are playing and your patience in those circumstances will be very much appreciated. The greens staff will have priority at all times.

THE CLUBHOUSE

The Clubhouse has changing rooms for both ladies and gentlemen. Trolleys must not be taken into the locker rooms. On the first floor are situated a mixed lounge, snooker room and dining room.
