Scarcroft Golf Club is pleased to be able to offer membership opportunities in all full categories at our club.

We have a competitive subscription rate, and a generous incentive scheme for all new members. When you join, you may choose three complimentary benefits from the selection shown below, worth a total of £300, including lessons from Mark Moore, one of Yorkshire's most respected coaches. At the start of your second year, you may choose one further benefit to enhance your membership.

Membership Benefit	Value
5 lessons with our professional team	£100
Deposit on Members card	£100
Deposit in Pro Shop account	£100
5 buggy hires for your visitors	£100
Regripping one full set of clubs, including putter	£100
'Winterising' your trolley - Winter wheels and umbrella holder	£100
5 guest slots in your first year	£100

Our Professional also offers permanent additional benefits to all members:

- Members loyalty/reward scheme
- Free custom club fitting service
- Full loft/lie customisation
- Regular demonstration events by top brands
- Year round expert tuition

- Club re-gripping service
- Full range of products on display

Founded in 1937, Scarcroft Golf Club has become one of the premier golfing venues in West Yorkshire, providing a challenging but fair test for golfers of all standards, and offering the warmest of welcomes to everybody who comes to play here.

This beautiful, gently undulating course of 6500 yards is located in a magnificent parkland setting, with all the facilities that you would expect from a top-quality club.

For ladies, gentlemen and juniors, whether you are a seasoned campaigner, or just starting your golfing journey, Scarcroft Golf Club will provide you with everything you could wish for.

The following gives just a flavour of what awaits you as a member.

If looking for competitive golf, we can offer you a full programme, including:

- Year round weekend and mid-week competitions
- Men's Scratch, Nett and 8-15 teams, all of whom compete in local leagues
- Ladies' Scratch, A and B teams and weekend league matches
- Competitive Winter golf

If you like your golf to be slightly more relaxed, but still with a competitive element, we play against other clubs in the region:

- Men's Captains matches
- Mixed matches
- Rabbits matches
- Seniors matches
- Ladies' friendly matches

For social golf our ball-draws played through the week provide ample opportunity to meet new friends and play with different people.

A mentor will help you settle in, and will be there to support you as you become part of the Scarcroft 'family'.

If you are involved in a busy working life and find it hard to play much during the week, we have evening competitions throughout the Summer, which allow you to take full part in the life of the club.

We have a busy and varied social calendar, catering for the needs of all our members, with some 30 events taking place during the year.

In short, we are not just a golf course - we are a golf club, and welcome any enquiry about the benefits of becoming a member.
