Welcome to Beamish Park

Dear New Junior Member,

Firstly I would like to congratulate you on your decision on becoming a new Junior Member at Beamish Park GC, a decision that I am sure will deliver countless hours of pleasure in the coming years. Whether you have joined us to play competitively or just socially I can assure you that you will be warmly welcomed into the Golf Club & in particular the Junior Section where we are committed to the development of junior golfers at all ages & levels.

Beamish Park GC is a Club with a long & proud history celebrating its centenary in 2006. The challenging Parkland layout provides a great test of golf, whatever your level with Blue, Red, Yellow & White Tee options available dependant upon your handicap level. Individuals will be able to develop their skills from free Saturday morning coaching sessions with PGA Professional Chris Cole before playing in the weekly qualifying competitions which are on offer throughout the Summer. In recent years our Junior Section has developed into being amongst the best in Co. Durham, with its members enjoying significant individual & team success at County & National level.

I am very proud to say we are the current North West League & the reigning County Champions !

Once again, welcome to Beamish & I hope to catch-up with you face-2-face real soon

Yours

David Cameron – Junior Liaison Officer (JLO)

A Welcome from our Captain.....

A big “Hello” All to all new Junior members of BP.

It's great to have you all on board as we look to strengthen the numbers in the Junior section across all age categories. I hope to see you all on the course real soon & that you will all try & enter as many of the junior club competitions as you can this season. It's a great way to meet fellow Junior members & enjoy the friendly but competitive nature of our comps, which is the quickest way to get your handicaps down of course. We always stop back after a comp & have a drink & some food, so it's a good social environment too – even in the Winter.

We have a big challenge ahead to keep up the success of the last 2 seasons with our Junior Team this season, but I know how determined the team will be in keeping that success going.

Finally, thank you for joining Beamish Park Golf Club juniors, I wish you all a happy & successful summer with your golf, and I hope to meet you all personally in the near future.

Marc Cameron Junior Captain 2017
