

Dress Code

Golfers are asked to wear normal golfing attire when playing on the course. This includes tailored, knee-length shorts (but not cargo or combat style) and short or long sports socks of any colour including trainer socks. Sleeveless tops with a collar or round necked / V-necked tops with sleeves may be worn. Shirts, if designed to be worn outside trousers or shorts i.e. side slits or ribbed welt, may be worn but any long shirts must be tucked in. Denim jeans are not permitted on the course.

The rule for the Clubhouse is that smart, casual clothing must be worn in all areas. Trainers are not allowed but golf shoes may be worn in the Spike Bar. Some formal functions (where instructed) will require a jacket and tie. Denim jeans are not permitted in the Clubhouse.

All members and visitors are kindly asked to adhere to the above policy.
