

# Free iPhone/Android App for Bishop Auckland Golf Club

Bespoke App.

Free to download.

**On your App Store search for and install the Bishop Auckland App.**

Native to iPhone and Android, not a 'mobile website' that relies on 3g/4g or Wi-Fi.

Once downloaded it can be used anywhere.

**GPS** incorporated into the App.

**3D Flyovers** built in.

**Pin positions** (as up to date as possible).

Marketing tool for the club, venue facilities, weddings etc.

The Club can send info to golfers eg Course Closed on their phone via a push notification.
