WINE

We have a comprehensive wine list with wines supplied by Andrews Beers & Mineral Co.

In addition to the standard wine list we also offer a number of Connoisseurs Wines for that special occasion.

If there is anything you require that is not on the list, again, we will endeavour to source it for you.

We can also set up a separate wine table for your guests with an agreed number of bottles so you can keep control of costs. Soft drinks, such as jugs of fruit juice and mineral water, can also be added to that table.
