4. MATTERS ARISING    -    Before the meeting began we remembered Denis Morrow who sadly passed away recently, and was fondly remembered in the Men's Section as a diligent and very hard working handicap secretary before the age of computers!!

-    Consideration to be given to moving the 12<sup>th</sup> tee when beach and coastal path are busy. This was a problem for some during the recent AM AM event

-    Consider removing a few panels of the fence on the first tee so that golfers and road users can see each other , there have been a few near misses recently

-    The Colin Conway Memorial competition was not sponsored this year as his wife, Carol has moved away

-    Maximum handicap of 24 for the Open Week to be abolished

-    Ron Lawton trophy re arranged for Saturday 30<sup>th</sup> due to prior bookings on Sunday 1<sup>st</sup> October

-    More signs are to be in place in the next few weeks

-    Starters shed for the 1<sup>st</sup> tee still under consideration and GTJ asks all to get some information and prices

5. MATCH AND HANDICAP    -    In his absence Dilwyn sent in his report

- The 7 a side team unfortunately lost to Henllys Hall in the final at Caernarfon last Sunday 5.5 – 1.5

- Congratulations to G.T.Jones on winning the Draig Fadog and together with his son Andrew, also won the Morrow Foursomes. Peter Emmanuel beat Tony Williams in the final of the Town Bowl

- Carwyn ap Tomos and Steve Edges' fine run in the Mail on Sunday foursomes finally came to an end in the 7<sup>th</sup> round away at Carden Park

- Winter League format to be discussed with no pairings to be the same as last year

- The bus for the club outing to Bull Bay will depart the club at 8:30 with the caterers requiring numbers by Friday

6. TREASURERS REPORT - Competition entries are good for this year

- Union Cards need more publicising and GP offered to push this onwards next year and put on FB

- On the expenditure side the 7 a side team costs for meals up to the final and 5 a side entry is additional from last year

- Agreed from previous meeting cost of bus to Bull Bay to be paid from section funds

- By the end of the year we should break even and have a reserve of approximately £2.5k

7. COMMITTEE REPORTS Executive - No Meeting

Greens - A wish list from the section committees for winter programme

House - A recent review with Stewardess regarding the expansion of kitchen opening hours over weekends and more choice on the menu. A verbal complaint regarding the attitude of some of the staff which reflects poorly on the club

8. A.O.B The away day and Gwyndy Cup outing to Bull Bay will take place this Sunday but only the presentation of the Travellers Cup to be done on Sunday

Invitation Day on Sunday 23<sup>rd</sup> cost of £30 per couple to include a meal

Winter League format no closing dates for each round just all 5 rounds to be played by end of February with best 4 rounds to count for best 8 to qualify for

knockout stage. A suggestion that a sheet be put up so that players can enter their scores for each round on it to keep an interest in the competition going

First round BB S/ford 2 Aggregate S/ford 3 Greensome S/ford 4 BB Medal 5 121

- The Captain informed us that the All Winners competition will be a shot gun start at 1p.m followed by the presentation of recent winners with entertainment to follow in the evening

- GTJ asked all to consider next years' competition diary and to convene at a special Diary meeting as some competitions need a date change and the golfing year to extend into November

- DHG was disappointed that after all his hard work in obtaining sponsors for the Am AM there were no signs on the tees to acknowledge the sponsor. This was an oversight on behalf of the committee and we apologise but next year we need more input from all of the Men's section committee to ensure better organisation

- GP mentioned that on recent reviews a negative comment regarding the flagsticks/flags were mentioned. The VC said he'd take it on board

- GP to give the committee a demonstration of the on line competition booking system

- GTJ requires suggestions for 2018 away day venues but will book Llangollen for spring 2019
