General Information

Fixture colour coding

The colour coding used throughout this diary is as follows:

Black: Mens events

Blue: Seniors events

Red: Ladies events

Green: Mixed events

Violet: Junior events

Communication

Please note that your Captain and Committee will keep you informed at all times with regard to any changes to the scheduled programme of events, course changes, competition format changes etc. and will communicate this via email and / or notices posted on the club notice boards. Email has now become universally accepted as the most efficient form of communication and it is up to every member to keep up to date with club matters by ensuring that the club has their correct email address. If you are in any doubt about this, or need assistance with setting up a free email account, please contact a committee member who will be happy to help. If you change any of your key contact details (home address, telephone number or email) throughout the year, please ensure that your club secretary is informed immediately.

Course Rangers – Important!

Regarding matters pertaining to the course, the Course Rangers are your primary point

of contact. If you have any issues regarding your use of the course and its facilities, either before, during or after a club event, please talk to the Rangers first. The shop staff, bar staff, professionals and greenkeepers should not be involved in any such matters. The Rangers have been given full responsibility to handle all course-related issues and will quickly attend to any problems that are identified to them. If they can not respond immediately, they will quickly relay the information through the appropriate channels to someone who can. This should be of great assistance in keeping club events running smoothly, but in all circumstances, please address the rangers calmly and respectfully. They are there to help you and unacceptable behaviour towards them will not be tolerated.

Gents Club Adverse Weather Policy for Competitions

In the event of inclement weather causing the course to be closed on competition days, the following policy will be followed, as agreed and reviewed annually by the Gents Club Committee.

- If the course is closed all day the competition is regarded as cancelled.
- If the course is open at the start of the competition it will go ahead whatever the weather or number of entrants.
- If the course is closed for whatever reason e.g. frost, flooding etc at the first scheduled

tee slot and is still closed 1½ hours after that first tee slot the competition will be regarded as cancelled.

- If during play of the competition the course closes for any reason e.g. flooding, hail, lightning etc. and re-opening is delayed for more than 1 hour, the competition will be regarded as null and void for those players. If less than half of the competition entrants complete their round as a result of this closure the competition will be cancelled for all players.
- A cancelled competition is not guaranteed to be rescheduled.

The Committee reserves the right to retain flexibility in the above.

Local Rules

1. OUT OF BOUNDS

(Rule 27) A ball is deemed Out of Bounds if it lies outside any of the boundaries towards any public road, or the fencing towards the Driving Range, or on or within the Clubhouse, Practice Putting Green or surrounding tarmac areas, or any other boundary of the Course defined by white stakes.

2. INTERNAL OUT OF BOUNDS

- a. 11th, 13th & 15th holes - ground to the left of the white stakes is Out of Bounds.
- b. 5th hole - ground to the right of the white stakes is Out of Bounds. Note: LADIES may play onto the 4th fairway beyond an imaginary line drawn between the red/white stake and the Clubhouse flag-

pole, but must give priority to players on the 4th tee.

3. MOVABLE OBSTRUCTIONS

(Rule 24-1) Stones in Bunkers are moveable obstructions.

4. IMMOVABLE OBSTRUCTIONS

(Rule 24-2)

- a. All Staked trees and any trees or shrubs less than 1 club length in height.
- b. Fixed sprinkler heads. In addition: if a ball lies off the putting green but not in a hazard and such an obstruction on or within two club lengths of the putting green and within two club-lengths of the ball, intervenes on the line of play between the ball and the hole, the player may obtain relief as follows:- the ball shall be lifted and dropped at the nearest point to where the ball lay which (a) is not nearer the hole (b) avoids such intervention, and (c) is not in a hazard or on a putting green. The ball may be cleaned when so lifted.
- c. Wooden surrounds to tee boxes or paths, yardage markers, fences and bins.
- d. The pump house on the 17th hole.
- e. The menhir stones on the 10th and 17th hole (Rule 24-2b).
- f. All artificially constructed paths and course furniture.
- g. The sewage plant, dustbin store and compressed air cleaner.
- h. The Jack A'Court Memorial Stone on the 9th hole. NOTE: A drop without penalty may be taken within one club-length of

the nearest point of relief and no nearer the hole, in accordance with Rule 24-2.

- i. White stakes or boundary ditch markers which have no relevance to the hole being played and which interfere with the player's stance or intended swing.

5. LATERAL WATER HAZARDS

(Rule 26-1) Defined by red stakes.

Provisional Ball (Appendix 1 - Local Rule 2b) Permitting the play of a provisional ball for a ball which may be in a water hazard of such character that if the original ball is not found, there is reasonable evidence that it is lost in the water hazard and it would be impractical to determine whether the ball is in the hazard or to do so would unduly delay play. The ball shall be played provisionally under any of the available options under Rule 26-1. In such a case, if a provisional ball is played and the original ball is in a water hazard, the player may play the original ball as it lies or continue with the provisional ball in play, but may not proceed under Rule 26-1 with regard to the original ball.

6. MAXIMUM PLAYING TIME

(Rule 6-7) The maximum playing time for 18 holes of golf is 4 hours and 19 minutes. Time penalties may be incurred in competition rounds in accordance with Rule 32-1.

7. SAFETY RULE

Please do not Tee Off if People or Vehicles are within your field of play.

Other

IN THE EVENT OF LIGHTNING PLEASE COMPLY WITH THE FOLLOWING:

One prolonged sound the of Claxon = Discontinue Play Immediately and leave the course. **Three** consecutive sounds of the Claxon, repeated = Discontinue Play as soon as possible. **Two** short sounds of the Claxon, repeated = Resume Play.

BLUE FAIRWAY YARDAGE MARKERS

Red-capped markers = 100 yards, yellow-capped markers = 150 yards, and white-capped markers = 200 yards to the centre of the greens.

PERSONAL RISK Please Note: Les Mielles Golf & Country Club cannot be held responsible for any damage, injury or loss caused to members of the public, or their property, whilst on the premises.

PUBLIC LIABILITY INSURANCE All course green fees include Public Liability Insurance. If a Golfer is involved in an incident i.e. ball in car park, that causes injury or damage to other persons or property, a claim form is available from the Booking Office which should be directed to Reeds Insurance Associates.

GPS DISTANCE MEASURING DEVICES are permitted.

TEMPORARY LOCAL RULES See Club-house notice boards for Temporary Local Rules.

Pitchmarks

From the Committee...

If you are observed making a pitchmark on a green and choosing to ignore it, you can expect to be invited to the next committee meeting to explain your laziness and lack of etiquette.

Learn how to repair a pitchmark properly and then make it a habit to not just repair yours, but if there's another one nearby, fix that too. It only takes a few seconds and can prevent all sorts of long-term problems.

Rake bunkers well (push sand back into the centre as well as pulling it towards you, to prevent build-ups around the edges) and always replace divots (yours and any loose ones). Walking past a stake that's not where it should be? It takes seconds to stop and replace it.

There are already many golfers who look after the course like this and try to improve the enjoyment for everyone. Be one of them! That said, don't let any of this slow you or your group down!

Thank you.

Five Oaks Iron Works (Jsy) Ltd.

Balconies and balustrades manufactured and supplied. Extensive range of decorative railings and balustrades for industrial, commercial and residential.

S E R Approved and compliant.

Rue à la Dame, St Saviour, Jersey JE2 7NH
