## **Brampton Golf Club**

"Step into Golf" A tuition-led membership scheme for new starters or re-joiners.

## Try before you buy, an easy & affordable way to get your golf game started and it's "Simply- all here"

It's great that you are thinking of trying golf. It's a great way to play sport and keep fit & healthy at the same time. You may not know a lot about golf, but don't worry because we have put together a programme that will allow you to try before you need to commit to any form of club membership.

So how does the Step into Golf programme work?

Brampton Golf Club's, "Step into Golf" programme is open to anyone who would like to start playing golf or has played golf in the past and now wants to play again, but not break the bank in doing so.

Our tuition-led golf programme will offer you all the support, coaching and advice you will need to get your golf game started and then when you are ready, we will progress you slowly into a "New Starter membership" scheme, where you can play the full course and enjoy most of the clubs benefits. That way you will really appreciate and enjoy the quality and experience of our great 'James Braid' designed course, but have the comfort of knowing that everything is done at your pace and for your enjoyment.

Brampton Golf Club prides itself on being a friendly golf club, so you will find a very warm welcome as you first step through our doors. All our staff will be there to help and support you as you steadily progress your game, but our club can offer you much more. If you like to have a bit of fun and let your hair down once in a while, then we have a calendar of great social events. We provide a fabulous dining experience and we run family fun events, to help integrate you and your family into our club world.

If you would like to find out more detail about what's included in our Step into Golf offer, then please email us: <a href="mailto:office@bramptongolfclub.com">office@bramptongolfclub.com</a>
