Largs Golf Club is rated as the best conditioned parkland course in West of Scotland. We have in the past offered the groom and party a round of golf as part of the wedding package.

Your Day

On arrival your guests will be greeted by our host and offered a sparkling champagne cocktail. After being shown to the restaurant and seated, guests will be informed of the Bride and Grooms arrival as they are announced into the room as Mr & Mrs.

After your meal our duty manager will act as master of ceremonies liaising with the best man or usher to prompt the start of speeches. Once speeches are over you will have time to mingle with guests before enjoying the evening celebrations in the bar as the rest of your guests arrive. We shall then arrange further prompts through the evening for cutting of the cake, first dance and service of the buffet.
