

## **REDDITCH GOLF CLUB FOG POLICY**

For the safety of all players whether starting off the 1<sup>st</sup> tee or those already on the golf course, please note, **the course will be closed if the marker on the practice area to the left of the first tee cannot be seen clearly from the teeing area.**

### **Closing the Course (fog)**

The Course Manager (or his deputy) will be responsible for the decision to close the course until 8:00am

The Professional (or his deputy) will be responsible for the same decision after 8:00am

**The claxon will sound one long blast to inform players already on the course to cease play immediately and return to the clubhouse.**

### **Re-opening the Course**

The visibility will be checked by the Professional (or his deputy) every 15 minutes to make a decision regarding whether the course should be opened or remain closed.

**Greens Committee – January 2015**
