## LADIES ROSE BOWL (CHALLENGE CUP)

### Background

### Format History

### Current

Four qualifying 18 Hole Stroke play rounds. Match play Final rounds. Red Tees. Full Handicap

The two best nett scores in each round qualify for the match play final rounds.

A draw of the 8 qualifiers is made for the quarter-final matches and subsequently a draw is made for the semi-final matches.

If, before the draw is made, a qualifier knows they will be unable to play in the quarter-final then the next player in their qualifying round may take their place in the draw. If a player is unable to play after the draw has been made no substitute is allowed and their opponent is given a bye.

A halved match must be played to sudden death and handicap allowances are still applicable to the extra holes.

The match rounds are to be played by the dates specified on the draw sheet and the final to be played within 2 weeks of the semi-final completion date.

The final may only be moved for sickness or holidays.

### Restrictions

No Lady (including Junior Ladies) can win a competition unless their handicap is 36 or less.
