

Rookery Park Golf Club Flexible Arthur Membership

Modern 'lifestyle' membership at a traditional Members Golf Club for only £260*

Rookery Park recognises that in today's modern world, the traditional rigid 5 and 7-day membership packages are not always suitable for everyone. That's why we have introduced a Flexible membership structure that is designed to suit the modern lifestyles of those whose working and family life leaves them with little time to play golf and who cannot justify full subscription. Flexible membership will give golfers the full range of facilities and experiences available only to members of Rookery Park. It is a membership for those who want to be fully involved with their Golf Club, friendly games at the weekend, competition golf, or a relaxing twilight game at the end of the day followed by a drink with like-minded people. A Flexible member will receive an Arthur membership record card (with 50 points) Each time they play a number of points will be deducted according to the time of the day and day of the week (see chart below). Members running low on points can top-up a maximum of twice per year at £105 for a total of 25 points.

*England Golf, Suffolk Golf Ltd, & Suffolk Ladies County Golf Association Affiliation Fees are payable in addition to the Flexible Membership fee
