

CLANDON REGIS GOLF CLUB

GUIDANCE FOR PARENTS

Clandon Regis Golf Club recognises its responsibility to safeguard the welfare of children participating in club activities and therefore has a child protection policy and comprehensive child protection procedures to ensure that all children at CRGC have an enjoyable and safe experience of golf. While taking a supportive interest in your child's golf, please assist CRGC by considering the following points:

- Read the child's code of conduct and discuss this with them.
- Complete the Player Profile Form promptly and notify the club of any amendments so that we may care for your child as well as possible.
- Discuss any particular requirements your child has that may affect their ability to enjoy a golf session, or the ability of coaches and volunteers to meet their needs effectively.
- If leaving your child at the club, please make sure they have some spending money, weather-appropriate clothing and a drink to take in their bag. Dehydration can occur even if it is not that warm.
- Make sure that your child knows what time they will be collected, where they are being met and by whom.
- Ensure that the club has an emergency contact number for you when you are away from the club, (a mobile number would be preferable) and that you leave your mobile switched on so that you can be contacted in an emergency.
- Be punctual when dropping off and picking up your child for/from coaching and competitions - volunteers cannot leave your child alone at the venue and must stay at the club until the last child leaves. If you are likely to be late, please contact the Junior Organiser to discuss what to do.
- Raise any concerns you have about the coaching, club procedures, or care that your child receives with either the Child Welfare Officer, or the Junior Organiser, so that we may address them appropriately and promptly.
- The transporting of children to and from the club for matches, competitions and coaching is the responsibility of parents. The club will only become involved in these arrangements in exceptional circumstances. Parents are welcome to contact the parents of other junior members and make private arrangements to share transport, but this does not fall within the responsibility of the club.
- Check your household insurance policy to ensure that your child has adequate and appropriate cover, particularly public liability insurance.
- Finally, praise the effort, as well as the results, of your child's participation..
