Clacton-on-Sea Golf Club History

Clacton-on-Sea Golf Club founded in 1892 when a small band of enthusiasts leased 40 acres of grazing land close to the town centre and roughly laid out nine holes. After four years the land was taken back for residential development and the club moved to the other side of town where it leased, initially, 50 acres to provide nine holes, then a further 50 acres in 1909 to give 18 holes. Much of that land is still part of the present course, though there have been many changes in boundaries and layout since then.

The freehold of the site was purchased by the Club in December 2006. A limited company was formed at the time of purchase and every member is automatically a member of the Company. The maximum liability each member has, should the Club ever be dissolved is £1.00.

The Club is run by the Board of Directors all of whom are members of the Golf Club and give their time freely. These members are voted in at the Annual General Meeting of the Club. They are all volunteers and pay the normal subscriptions.

Par for the Course

The par 71 course covers 110 acres and measures 6,448 yards from the men's competition tees and is a good test for any skill of golfer. Although some holes run alongside the sea wall, it is not a traditional links course. It is flat, part wooded and part open. The men's card comprises four par 5s, nine par 4s and five par 3s. The longest hole is 563 yards, and the shortest is 161 yards.

The course is well bunkered and particular characteristics of the course are fleets, which cross fairways or form boundaries, and small lakes, which between them provide many water hazards.

An unusual sight on the sea wall at the 13th and 16th tees is a Martello Tower. This is one of several forts built along the coast in the early 1800s at a time of threatened invasion by Napoleon I of France.

Our Professionals

At present Clacton-on-Sea Golf Club have two fully qualified PGA Professionals. Michael Goodwin is our Head Professional; Michael has been a member of the Golf Club and now Head Professional for 25 to 30 years. Michael's assistant is fellow PGA Professional Sam Teer, Sam has been a junior member of the club and now having completed all of his training, has qualified in his own right to give lessons to golfers of all abilities. We have a state of the art indoor training system, what it can't tell you about your game is not worth knowing.

Our Pro Shop/Golf Store

Michael's fully refurbished Golf Store, provides all of your golfing needs, from golfing equipment and clothing, to balls, tees, gloves trolleys, you name it, he will have it and if he hasn't, he will get it for you. As mentioned above in July 2014 we added to the Golf Store a fully functional Golf Simulator. The Foresight Sports Golf Simulator Game Changer 2 Launch Monitor or GC2 for short is the same unit used by SKY TV. This is probably the best simulator on the market. It's no toy. It will measure ball speed, launch angle, direction, backspin, and sidespin. It can be used for club gapping, best ball type for your game and actually oh yes, there is a toy section. With a starting 15 courses to choose from, including the Brabazon Ryder cup course. It can do a longest drive or nearest the pin competition if you just fancy a bit of fun on a wet day, you will love it, especially with reduced rates for Golf Club members.

Our Facilities

We have a 10 acre practice field. Outside the Clubhouse is a practice putting green. Heading towards the first tee is a chipping and putting green, practice nets and a practice bunker and another chipping area.

There are locker and trolley storage facilities available for annual hire.

We have fully refurbished the Ladies and Gentleman's showers and toilets and we have replaced all adult lockers. There is a junior locker room with no charge.

In 2015 we added new course toilets and a 'Halfway House'. This is open mostly at weekends and offers hot and cold drinks. Hot or cold snacks are also available here.

Ok – I've joined the Golf Club, what happens next?

There are some important questions that need answers, to some new members who are already golfers, some may seem obvious, but if you've never played golf before, or have never been a member of a Golf Club, then you will probably have no idea:

How do I get a handicap? – Handicaps are governed by England Golf and the Central Database of Handicaps (CDH). If you are already a member of a Golf Club and are transferring to Clacton on Sea Golf Club, your CDH number should transfer with you. If you are new to golf, then we will generate a CDH number for you.

If you are transferring with a CDH number, then you probably also have a handicap. If you do not have a handicap, the Golf Club rules ask you to hand in three (3) signed cards by another member of the Golf Club and submit to the Head Professional who will allocate you a handicap. Once you have this, you are able to enter Club competitions; you cannot play in a Club competition if you do not have an active handicap.

Tee off times: In general we do not reserve tee off times, however, we do reserve the tee for the seniors, ladies, juniors, Club competitions and visiting societies. These will

be on the Golf Club web site and on the tee reservations board on the wall opposite the office.

How do I enter a competition? As explained two paragraphs back, to enter a Club competition you will need an active handicap. Depending upon your age and sex there are various categories. Juniors – up to 18; Mixed – men and woman (some allow juniors); club men (some allow juniors); seniors – you must be over 55 and a member of the seniors; ladies (some allow juniors); Fun – generally open to all; County – usually determined by handicap and an internal qualification round. The Club general rule is, you pay first on one of the three (3) Golf Club PSI machines (Player Score Input) and then put your name on the relevant competition sheet or sheets if playing in more than one competition. You pick your own time. Once a week, the office will go through the names on the sheet/s and yellow them out to show that you have paid. If your name is on the sheet the Club deem that it is your intention to play and will in some instances take your payment. The Club as a general rule does not refund any competition unless for a very good reason. There are some competitions that are free to enter and sometimes on a Sunday we will put up a Free Sunday sheet, this means there are no competitions but there is a reserved tee for those who want to play on the day. On Friday we have the Moonlighters, a nine (9) hole competition played on the front nine (9), it is a turn up and pay in the Golf Store or bar. On Saturday we have the Swindle, again turn up and pay and play when you like, this is over eighteen holes (18).

As we are a CASC there is no formal interview, once you pay your money, you are in. However, there are some basic rules/etiquette that we insist that you play to:

All players must have a copy of the rules

All players must have a pitch mark reparer

All divots must be replaced

All pitch marks on the green must be repaired

There is no practice allowed on the course. You can play a maximum of two balls if on your own or with a partner provided you do not hold anyone up.

Do not use your putter to scoop the ball out of the hole once you have putted it in.

Where buckets are provided on the tee you must repair your divots

Do not litter – please use the litter bins provided. If there is no bin carry the litter with you until you find a bin or throw away once you are off of the golf course.

Always give way to the greens staff and allow them to finish what they are doing, or give them time to move so that they are safely out of the way of your next shot.

Obey the GUR, temporary greens, white lines and roped off areas.

Respect the rules, the course, the staff and your fellow golfers.

Avoid slow play at all times. If you lose a hole, wave players behind you through.

Enjoy your game.

Our Clubhouse

Our Clubhouse offers a warm welcome to all of our members. If you enjoyed your round on the course why not enjoy another round in the Clubhouse - at the bar, that is! The first Clubhouse, built in 1909, still forms a small part of the present Clubhouse – although it is no longer recognisable after all of the changes over the years.

The Clubhouse has been considerably extended and modernised over the years and has first class facilities including a lounge, dining area, sectioned off dining area and stud bar. It offers a wide range of cooling beers, fine wines and spirits and a tempting choice of meals and snacks. Social events are arranged throughout the year. They are very well supported they offer an excellent opportunity for friendships to be cultivated. Access to the Clubhouse is through our relatively new (2013) covered entrance. We've also added an extension to our already good size bar and restaurant. The new extension has sliding glass doors which gives privacy if needed and is already being hired by local clubs and businesses at very reasonable rates. [£25/hour; £150/day; £500/week – All plus VAT]

Fine Dining

A full English breakfast, a snack, light lunch or how about a Sunday carvery? Extremely popular throughout the year and booking in advance is always recommended. Gentlemen please note, long trousers are required for Sunday carvery. Whatever tempts you, 19th Catering is here for you. We also offer a full wine list to compliment your meal. An experienced bar and catering manager are both here to assist you along with a full time chef and a cheerful team of helpers ensure that dining at the club is a pleasurable experience. The dining area is spacious and tastefully furnished – and tables can be made to suit all groups of people. In the warmer months why not eat out on our patio or our new raised decking area?

Bar & Restaurant Opening Hours

<u>Subscription Category</u>		<u>2017/18 Annual Subscription</u>
Social	(20% VAT INC)	£140
Joint Social	(20% VAT INC)	£215

Social members are entitled to use the **Clubhouse** facilities along the same line as playing members and you will be issued with a Clacton-on-Sea Membership Card. Having the card enables you to take full advantage of the same various Golf Club discount schemes full members receive. You are further entitled to attend club social events depending on availability (events put on by 19th Catering are generally all ticket events and are not covered by social membership subs). All guests must be signed in the visitor's book. Failing to sign a guest in could result in the guest being asked to leave the premises. As a single social member you are entitled to sign the same visitor in 12 times per year. Please note, any guest can only be signed in 12 times in any 12 month period regardless of who signs them in.

Joint membership is the same as above except two cards are issued and there are no restrictions on how many times you can use the club. You can sign the same guest in 12 times each per year.

Social members have no golfing rights and are not permitted to vote at the AGM.

New Members 2017 – 2018

At Clacton we continually try to keep all of our members happy and we believe a very important aspect of membership is getting our new members fully integrated at the Golf Club. Once a new member is integrated and playing regularly, then generally the feeling of happiness follows. Often, some of our new members will already know a few people and join up with them and slowly expand their circle of friends. But a lot of members are new to the area, golf or both. In 2016 we have actively looked at ways of improving our new member experiences; we want and need you to feel welcome and special to us. New members are important, membership retention is vital and happiness is the key.

If you are not getting to play as much as you would like, please let the office or the golf professionals know, it is part of our job to help you integrate and get to know people. Our commitment is to help you to get to know people of similar age, handicap, lifestyle or all, but we need the communication to come from you.

Who's who in the Golf Club 2017 - 2018

Our principal officers are elected annually at the Golf Club AGM, Each year two Directors and the Club Captain stand for election, with 4 officers not changing, this way we maintain some stability on the Board and it helps to prevent the "reinvention of the wheel" if all 7 members were changed at the same time. Currently the Golf Club Board of Directors are:

<i>Bert Foster</i>	<i>Chairman (Elected)</i>
<i>Jeffrey Sinnott*</i>	<i>Club Captain (Elected)</i>
<i>Terry McConnell</i>	<i>Chief Executive (Appointed/Consultant) and Finance Director (Elected)</i>
<i>Tony Stevens</i>	<i>Development Director (Elected)</i>
<i>Dave Gilbert</i>	<i>Greens Director (Elected)</i>
<i>Richard Burrell</i>	<i>House Director (Elected)</i>
<i>Derek Woodrow</i>	<i>Administration Director (Elected)</i>

Any full playing adult member can stand for election and it is a straight forward most vote's wins system.

The first four people below also attend the Board meetings by invitation of the Board, they do not have a vote at the meeting, but their views and comments are much appreciated.

<i>Graham Rackham</i>	<i>House Manager (Consultant) and 19th Catering (Self Employed)</i>
<i>Michael Goodwin</i>	<i>Head Professional (Self Employed)</i>
<i>Alan Smith</i>	<i>Course Manager (Employed by the Golf Club)</i>
<i>Nichole Welsh</i>	<i>Business, Bar & Promotions Manager (Employed by the Golf Club)</i>
<i>Diana Kedge</i>	<i>Lady Captain (Elected by the Lady members)</i>

The Board generally meet once a month and the minutes of the meetings are posted onto the Golf Club website a month in arrears once they have been approved.

The Vice Captain is elected a year in advance, so in effect, it is the Vice Captain who is elected at the AGM, and our tradition is the new Captain is inaugurated at the AGM by the outgoing Captain after the main AGM meeting is over. It is also tradition that the new Club Captain buys all of those present a welcome drink.

The Vice Captain for 2017/18 is Alf Smith who will be Club Captain for the 2018/2019 year. 2017 also happens to be the Golf Clubs 125th Anniversary and there is a week of golf and celebrations being organised now for July 3rd 2017 - July 9th 2017

**Jeffrey Sinnott passed away early in 2017 but is still being recognised as Club Captain for 2017/2018.*

Groups within the Golf Club 2017 - 2018

Like many Golf Clubs, the Club itself has a number of sections within itself, these are not meant to be exclusive, people sometimes refer to clubs being “clicky”, the truth is, people like to play with their friends, our job is to introduce you to new friends, some of the groups simply by their nature exclude some from joining and are reasonably obvious. At the end of the day, if you don’t see anything you like below, start your own group.

Our Four County Team Captains for 2017/18 are:

L F Wood	Clayton Jeffrey
Thornton Cup	Mark Chamberlain
Jubilee Cup & Norman Plum	Kevin Hill/Ronnie Miller/Bob Davidson
Seniors	Malcolm Pitcher
