Overview of the Application Procedure

1. Obtain an Application Form, then correctly (and neatly ☺) complete and answer all sections.
2. Check that the proposing and seconding members have signed the form and are qualified to do so. Applicants without a proposer and seconder are asked to provide suitable references.
3. Return the Form to the Club where it will be posted on the Membership Notice Board – for a minimum of 14 days. N.B. This is for the information of the members and to allow any member who may wish to draw to the Club's attention any information which they consider is pertinent to the application / acceptance of the individual.
4. The Membership Committee Chairperson will arrange for a member of the Committee to play nine holes with the applicant and also request the Proposer and Secunder to provide a brief letter of recommendation.

References to be provided by applicants who do not have a proposer and seconder. (See 2.)

N.B. The purpose of this is to get to know the applicant and allow information and questions to be shared between both parties prior to interview.

5. The Membership Committee will then arrange interviews for applicants. The applicant should be accompanied at interview by their Proposer and Secunder. Interview again allows the opportunity to get to know one another and present an opportunity to have any questions answered.
6. Following the interview the Membership Committee will make their recommendation to Council regarding the suitability of the applicant for membership of the Club. Council will then accept or reject the application on the basis of the information placed before them.
7. Upon successful acceptance, you will be welcomed into the club and you can then make arrangements with the Secretary / Manager to make payment of Entry Fee & / or Subscriptions.
