## destination harrogate

Destination Harrogate is an association of the leading hotels located in the town centre of Harrogate. The Association has been in existence for many years with the enduring goal of promoting Harrogate as a destination, both for conferences and for leisure breaks.

## The course

Located only 2 miles from the centre of the famous spa town, Harrogate Golf Club is a mature parkland course in a picturesque setting and benefits from spectacular floral displays in the Spring.

The current course measures a little less than 6250 yards and is on fairly flat terrain. It is widely regarded as a fair test of golf, requiring accuracy rather than distance off the tee. Its Mackenzie greens and tree-lined fairways provide an enjoyable challenge for all handicaps. The course is invariably presented in first class condition and many visiting parties come back year after year.

The course layout penalises any golfer who strays off the fairway, subtly placed bunkers and copses of trees require the golfer to adopt careful thought and accuracy in order to better their par.

The final six holes on the course include five testing par 4's, making this one of Yorkshire's toughest finishing stretches.
