

Tips to avoid slow play

Before play:

- As a courtesy to your playing partners arrive at least 20 minutes before your appointed Tee Off time.
- Get your clubs & caddy car/trolley ready for play before check in.
- Check in and pay your entry fee. Sign in on computer.

On the course & during play:

- Repair/replace your divots.
- Be ready to tee-off on time, especially on the 1st Tee.
- Have your club selected and be ready to hit when it's your turn.
- Bring your bag or buggy to the side of the green nearest to the next tee before you putt.
- Don't park trolleys or buggies at the front of greens, on the green aprons or on the surrounding collars of greens.
- Repair any pitch-marks you see on the greens.
- First person to 'hole out' takes responsibility for replacing the flag in the hole after the final putt.
- Don't loiter on the green or at the side of the green. Walk smartly off the green to the next tee box. In the interests of Health & Safety do NOT mark the scorecard at or near the green. Wait until you get to the next tee box.

Your place on the course is "immediately behind the match in front of you and NOT in front of the match behind you". Think of others and play your part in making the round of golf an enjoyable experience for both yourself and your fellow golfers.
