

Wi-Fi Policy

Muckhart Golf Club now has internet Wi-Fi available for members and visitors. If you wish to use this facility, password information will be provided. Users should adhere to the club's Acceptable Use Policy. The policy is detailed below.

Introduction

This policy outlines the standards which Muckhart Golf Club requires all users of its electronic communications systems and equipment to follow.

What is covered by the Policy?

The use of the WiFi network supplied by the Golf Club.

Who is covered by the policy?

This policy covers all individuals who wish to use the WiFi network supplied by the Golf Club.

1. Internet Use

Users are reminded that their use of the Internet will be directly traceable to the Clubs Internet address.

We therefore ask you not to visit sites which are:

- a. defamatory, threatening or intimidating or which could be classed as harassment
- b. contain obscene, profane or abusive language
- c. contain pornographic material whether in writing, pictures, films or video clips
- d. contain offensive material regarding sex, race, religion or any disability or sexual orientation
- e. infringe third party rights or otherwise unlawful or inappropriate

2. Fair Use Policy

We would also ask that you respect our fair use policy designed to ensure your service stays fast and reliable at all times of the day by not engaging in excessive downloads or file sharing activities.

As the Club still maintains a policy on the use of Mobile Phones ,use of the Wi-Fi access should not be obtrusive or of a nature that disturbs other members in the clubhouse.

3. Systems and Data Security

The Golf Club will provide Internet access via the wireless network and will undertake all reasonable steps to ensure it is secure from unauthorized users. However no guarantee can be made to this effect. You are responsible for your own anti-virus and anti-malware precautions.

Passwords will be changed periodically for security reasons. You should not attempt to gain access to restricted areas of the network or to any password protected information without being duly authorized to do so.

4. Monitoring and Compliance

The Golf Club reserves the right to protect its network and systems by recording user activity but not content;

- a. to insure that the use of the system is legitimate and in accordance with this policy
- b. to comply with any legal obligation

If the use constitutes a criminal offence the information will be handed to the police.

5. Specific Permissions to you

Unlimited access to the Internet in accordance with this policy.
