

William Doyle – 2019 Junior Captain

I am really looking forward to being the Junior Captain for 2019, having been a member at the club for just under six years, it is an honour to be leading the junior section this year.

As one of the older junior members I hope I can help the younger junior's progress and make them feel welcome into the junior section and I hope that many new and younger juniors will be encouraged to play with the older juniors.

Sue, David and Brian are doing a great job of encouraging lots of young juniors to join the club, which is really pleasing to see and I hope they do continue to play at RCGC even further into the future and be the next generation of golfers.

As I said I have been a member since April 2013 and started at 11 years of age with a handicap of 42. I am now nearly 17 with a handicap of 11,

but hoping to get much lower this year! I am currently at PGS studying for my A levels and play golf as my winter sport, so I come up to the club on a Wednesday afternoon to practice.

I am looking forward to the new season and once again participating in the South Downs League (SDL), it is a really good way of getting the team together to play a different format, match play, which many people are not used to.

I am also looking forward to the bigger competitions in the year such as the junior masters and junior club championship, they are both 36 holes and it is great to see so many people play in these competitions.

I am delighted to be Junior Captain and am looking forward to the year ahead. I wish all club members a Very Happy New Year and thank you for your interest and support to the Juniors.
