

BRS (Tee Booking) Golf App

BRS have brought out an App that may make tee booking easier for you than from our website. Download it from your App store (both iOS and Android) BRS Golf.

When downloaded enter Bishop Auckland Golf Club then log in with your loyalty card number and the password you set up on the website. There are a number of options here. I have left myself logged in to the system to save time.

BRS have also brought out an App to allow you to book easily at other courses called Golf Now, again loaded from your App store.
