

Match Report Senior Ladies vs Yorkshire Vets

Huddersfield Golf Club 1st August 2018

This beautiful historical club, originally Fixby Hall was welcoming even though imposing! Steeped in history with the 18th Century mixed in with the 21st it made for a beautiful location, probably one of the best we have played in Yorkshire.

Yorkshire Vets as per last year arrangements wanted to play off handicap difference but $\frac{3}{4}$ this year rather than the new set 9/10th difference. Apart from the Vets Captain, Sarah Arrowsmith off 16 but once a 7 handicapper, Yorkshire as per previous years fielded a low handicap squad from their plethora of over 250 players, ranging from 4 to 8, a great team ready to take us on.

The day was a little cooler and the clouds rolling as it was quiet windy. The course conditions were beautiful, we have all learnt links golf one way or another this summer! Some tremendous golf played and I expect some very low score attained by everyone but unfortunately as per previous games this year all too many going down to the last couple of holes. We lost resoundingly 6 $\frac{1}{2}$ to $\frac{1}{2}$, well done Mary Annable and Cynthia Machent for preventing a whitewash!

The camaraderie is tremendous with Yorkshire and especially so as we were playing on Yorkshire Day! The white roses on the dining table a reminder of the matches played earlier that day! The food was very tasty and empty plates all round. The noise level attested to the feeling of the day, tremendous day out!

We were all well looked after by our hosts and a big thank you to all those who played.
