Starting times- We allocate tee bookings in 3 and 4 ball groups, if you require 2 ball groups this may affect the green fee rate as we expect all groups to take no more than 3hrs 45 minutes for 18 holes. Slow play makes the game tedious for golfers and we are sure your colleagues will think the same so please maintain pace of play.

Trolleys and Buggies- Available for hire, as we only have 2 buggies it is best to pre- book these prior to play to ensure you are not disappointed. Please ensure you keep trolleys and buggies away from Tee Areas, Greens and Green Fringes. It is advised that you check before travelling the course conditions of the day to remove disappointment.

Prizes- Can be provided by our club professional from his extensive range of product or you are welcome to bring your own. We can also provide your group with spot prizes to make your day more special, these include nearest the pin, longest drive or nearest the line. Please speak to us on booking if you require these additional items.

Catering- Once you have made your choices the timings agreed will need to be adhered to. This is to ensure that you get the best quality/flavour from our caterers. The **Half-way** house is located on the 10th tee, if you require this facility please make this known when you are arranging your meal as our Catering Franchisee also looks after this facility.
