

Local Rules:

Out of Bounds (Rule 27)

A ball is OOB. When all of it lies beyond any boundary wall, fence, marker post or line or within a ditch between marker posts.

Water Hazards (Rule 26)

The ditch crossing the 16th fairway and the ditch to the left of the 17th fairway (yellow posts or lines)

Lateral Water Hazards (Rule 26)

The ditch running alongside and crossing the 13th fairway (red posts or lines)

Immovable Obstructions (Rule 24-2)

All surfaced paths, the old starters hut between the 17th tee and the 18th green, all poles supporting overhead cables and wires supporting these poles. Relief from any of these obstructions is not allowed merely on line of sight basis.

Exception: The wall running from behind the 3rd green and down the left hand side of the 16th fairway is deemed to be an integral part of the course.

Overhead Cables

A ball striking overhead cables is the rub of the green and may not be replayed.

Ground Under Repair (Rule 25-1)

Any deep rut made by green keeping equipment (relief does not apply to indentations in the grass)

Distance Measuring Devices

A player may obtain distance information by using a device that measures distance only.

If during a *stipulated round*, a player uses a distance-measuring device that is designed to gauge or measure other conditions that might affect his/her play (e.g. gradient, wind speed, temperature etc.), the player is in breach of rule 14-3, for which the penalty is disqualification, regardless of whether any such additional function is actually used.

Practice Area

A ball lying within the practice area, marked by a red line, must be lifted and dropped, without penalty, within one club length of the nearest point of relief, which is no nearer the hole.

Stones in Bunkers (Rule 24-1)

Stones in bunkers are movable obstructions.

Safety

In the interest of safety and courtesy:

Players driving from the 8th and 9th tees should do so alternatively.

Players on the 10th green have priority over those driving from the 7th tee.

Players must not play any shot until the group in front has moved out of range.

ANY TEMPORARY LOCAL RULE WILL BE DEFINED ON THE CLUB NOTICE BOARD.

PRACTICE IS FORBIDDEN ON ALL PARTS OF THE COURSE EXCEPT ON PRACTICE AREAS AS DEFINED BY THE COMMITTEE. **Exception:** This does not affect the player's right to practice under rule 7.
