

TUESDAY SENIORS PLEASE NOTE.

COMPETITION ON TUESDAY 11th DECEMBER 2018.

As this is the day of our Xmas lunch (at 2.30pm) I have decided to run an 8 hole competition in order to allow those out at the back end, time to prepare themselves for the meal.

This competition will be called 'Split Sixes' and the format is as follows:-

1. There are 6 points up for grabs at each hole.
2. If someone wins the hole out right they get 4 points. Second best score gets 2 points and the 3rd zero.
3. If one player wins the hole and the other two halved then it would be 4-1-1.
4. Two players halving and beating the third score = 3-3-0.
5. If all scores are the same then points allocation would be 2-2-2.
6. Only put your points score at each hole and total the points scored after the eight holes.

You don't need a maths degree for this !!!

You will be allocated half your normal 15 hole handicap rounded up to a whole number.

Normal prizes will be awarded along with the Nearest the pin at the 7th.

Your Tuesday handicaps will not be affected and these scores will not break the three consecutive scores over par rule for handicap purposes.

This is a one off Xmas Special. Hope you enjoy it !!!.

Tony Kitson

Competition Organiser.

6th December 2018

Merry Christmas
