

HowDidIDo App

HowDidIDo have brought out an App that may make competition booking easier for you. Download it from your App store (both iOS and Android).

When downloaded log in with your username and password. There are a number of options here. I have left myself logged in to the system to save time.

HowDidiDo is the largest network of golfers anywhere in the world. Holding the handicaps, results and scores of over 1 million men and women.

If you haven't already, you will need to register with HowDidiDo.com

You need to be a member of a golf club that is subscribed to the service.
