

CAPTAINS NEWSLETTER – JANUARY 2018

My very best wishes to you and your family for the New Year.

It is an absolute honour and privilege to represent Brancepeth Castle Golf Club as your Captain for 2018.

I am really looking forward to meeting you all both on the golf course, in and around the clubhouse and at the various social events during the year.

The season will officially begin with the Captain's Drive-In on Saturday 31st March 2018.

I thank Peter Burdess for accepting the position as Vice Captain - with his support I look forward to the year ahead and I would also like to wish Lady Captain Marianne Moore and Senior Captain Will Cowan and their respective Vice Captain's, Julie Rose and Paul Smith, every success for 2018.

My chosen charity for 2018 is St Cuthbert's Hospice, Durham City. I am profoundly aware of how the charity has assisted many of our members families over the last 30 years and having recently met with their fundraising team I know how appreciative they are at being the chosen charity. Your support in raising funds during the forthcoming year will be greatly appreciated.

In many ways 2017 has been a most successful year for the club both on and off the course. I would like to thank out going Captain's Malcolm Fawcett, Lyn Davison and Peter Robson for their enthusiasm, effort and commitment over the year.

In addition, sincere thanks to all the club staff and members of the various committees who continue to do excellent work for our club.

Wishing each one of you an enjoyable and successful golfing year.

Kind Regards
David Tweddle
Captain.
