

WINDERMERE

Golf Club, Bar & Restaurant

Welcome to Windermere Golf Club,

Situated in the heart of the English Lake District, a truly friendly welcome always awaits you. The Club was established in 1891 is regarded as one of the finest courses in Cumbria. Our members are very proud of our club, what it stands for and for what it has to offer.

The course itself is unique - modest in length but challenging and offering spectacular views of Windermere and the surrounding fells with some of the most breath-taking scenery anywhere in the UK.

Our golfing facilities include an 18 hole golf course, 2 short game areas and a practice ground. This is complimented off course by our well stocked golf shop/reception, bar, lounge & restaurant.

We are confident in saying that we have a golf course and facility to suit all needs. In recent years we have replaced all our greens and rebuilt them to U.S.G.A. specifications. We now have a reputation for having some of the best greens in the country.

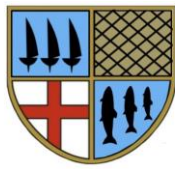

Enclosed is all the information you need about membership at Windermere Golf Club including the different categories of membership and all the benefits that come along with them.

If we can be of further help, please do not hesitate to ask any member of our team, give us a call or send an email.

Kind Regards,

Martin Fishwick
