

Your Incoming Captains

Firstly I'd like to thank all of you for entrusting me to be your Men's Captain in the coming year; I feel honoured and proud to be elected into this position. I also feel very fortunate in that I will be able to work with a delightful lady captain, Mrs Vicki Harrison, and together we plan to have a happy, successful and memorable year in office with all of you, our fellow members. By the time you have read this letter we both hope to have successfully completed our drive in!

Additionally, we have dedicated groups of volunteers on all of our committees and wonderful staff in the office and professionals shop. Every one of us is striving for the same thing, the continued development of our golf club both on and off the course. We aim for the impossible; keeping every one of you happy. Whilst this is highly unlikely, you can be assured that this is our objective and on occasions we will need your patience and understanding, so please be gentle with us!

Finally, I wish you all a great year at the club and on the course. I look forward to meeting and playing with as many of you as possible, and hope to be with you at one of our club social events.

Men's Captain

Hello Barton Members.

I am married to Michael, have two sons Richard and Andrew, a delightful daughter-in-law Stephanie, married to Andrew, and two lovely grand-daughters Eva and Phoebe.

In 1983 we left our home town of Newcastle under Lyme in Staffordshire and moved to Torquay to buy a hotel. In 1985 we moved to Bournemouth to enjoy a longer season and I discovered the "Basil" in my husband! We remained in the hotel business for 25 years with our final move bringing us to Christchurch. Having sold our business in 2007 I decided to have some golf lessons. In 2008 I joined Barton on Sea Golf Club and I'm still learning how to play golf!

I feel honoured to be your Ladies' Captain and my father, who had tried for so many years to get me to play golf, would be very proud.

My chosen charity is The Stroke Association.

PRO'S CORNER

We just want to remind you we have a large selection of demo clubs available for trial - drivers, fairway woods, hybrids, sets of irons and wedges. You are welcome to try any of these on the range or on the course.

It is worth getting your swing and set up checked every so often. Faults can develop without you being aware and may affect your performance. We can check your swing, either indoors or on the range, using the latest video feedback technology. You can see your swing action in real time or slow motion and from different angles.

Are you on **Twitter** or **Facebook**? Would you like up to date information on the latest deals and news? Follow us on Twitter: @bartonpro or Facebook **PETER RODGERS GOLF Ltd.**

IMPORTANT- Now Autumn is upon us we would advise checking your spikes. We advise metal spikes over the Autumn/Winter months for extra traction and grip. We can fit these and save your old soft ones to swap over again in the Spring. If you are going to use soft spikes all year round check they are in good order for your safety.

Congratulations to one of our Junior members, **Joshua Caffyn**, for winning the prestigious Clarke Trophy.

Fourteen year old Josh has been an active member of the Junior section since 2012 and achieved County honours after being selected for the Hampshire U14 squad at the beginning of the season.

Well done Josh!

It has been an honour and a pleasure to be Lady Captain of such a prestigious and friendly golf club as Barton-on-Sea. It does not seem possible how quickly my year has passed, from my Drive-In on Needles 9 with Brian, going straight into Christmas festivities, and then competitions - wow! Where has the year gone?

I would like to thank you all for your generosity in supporting my charity The Oakhaven Hospice Trust. Also, a special thank you to Barbara Wildgoose for all the energy and support she has given me in organising all the raffles. Thank you to my Committee, who have always been there for me. Last, but not least, Vicki, my amazing Vice Captain... Vicki I wish you well, I know you will be a great captain, have a wonderful year.

The many wonderful memories that have been generated during my captaincy will stay with me forever. **Di Eccles**

Lady Captain Diane Eccles raises £13,022 for Oakhaven

Di presented a cheque to Jill West from Oakhaven Hospice for £13,022 which ended her year as Lady Captain. This fantastic donation was a result of Di and her committee working tirelessly to raise funds with different kinds of events and fun days.

I would like to thank everyone involved in making my Captain's year run as smoothly as possible. I played in many club matches, meeting so many nice people. I completed many interviews for new members, and enjoyed meeting a diverse number of people. We are a very vibrant club, with many professional staff and committee members making sure we are going forward, which is very exciting. I wish Don Read and Graham Priddey all the very best for the coming year. It is a great honour and privilege to be the Captain of this very friendly club, and I will treasure every moment that came my way, good or not so good. I thank you all for your support and friendship.
