

FOR PARENTS AND CHILDREN ATTENDING LESSONS

ARRIVE ON TIME

The coach cannot plan his lesson fully until he knows how many participants he has.

Inform the Pro-shop or Junior Organiser if you know you are not able to attend.

If you are on your way but held up in traffic, please phone and make the Coach aware of the situation.

WEAR SUITABLE CLOTHING

Remember that ours is a Links Course. The weather can change quickly and be different to the weather you are experiencing in the garden or town. BE PREPARED. You won't be able to concentrate fully on the lesson if you are too cold or wet.

BEHAVE SENSIBLY

You need to listen carefully to instructions and remember that a golf ball and a golf club will hurt if they hit someone. When you are not being asked to use them leave them in your bag or on the floor so that you are not tempted to move them around thoughtlessly.

You can't listen and neither can others if you are talking.

Go to the toilet before the lesson starts.

If it's very hot have a drink with you and remember to use sun cream.

BE SUPPORTIVE OF EACH OTHER

Learning new skills can be daunting for all of us so we need to be patient and supportive during golf sessions. Some of us, if we are lucky, will discover that we adapt quickly but for others it may prove more of a challenge. Those children may give up trying if they feel that others are being critical of their attempts or even worse, laughing at them or making fun of them.

THERE WILL BE OTHER GOLFERS OUT ON THE COURSE

They need to be able to concentrate on their play so there should be no noise or movement to distract them.

PARENTS MUST:

Collect their child from the front of the PRO's Shop so that they are not negotiating the car park on their own.

Inform the coach or Junior Organiser who is collecting your child if it isn't going to be yourself.
