

2018 Membership Offer

Scarcroft Golf Club is pleased to be able to offer membership opportunities in all categories at our club including our Men's, Ladies and Junior sections.

We have a competitive subscription rate, currently no joining fee and a generous incentive scheme for certain categories of new members

Our current membership joining incentives in certain categories at our club include our Men's, Ladies and Junior sections. These are worth £300 for full and full limited members over a period of 2 years on joining the Club. The incentives for other membership categories are lower. You may choose benefits from a range including Golf lessons from our professionals, Re-gripping your Club, £100 on your pro-shop account, Guest slots for visitors and £100 on your member's card to spend on food, refreshment or competition entry fees. Full details of the offer including timing and the incentives for other membership categories is available from our office.

We are a Members' Club and our focus is on providing a great and challenging golf course with full facilities and a friendly and relaxed atmosphere. We have social events for members across the year.
