Two stunning golf courses, almost 100 years of golfing heritage and something for everyone - whatever your ability

Welcome to Hawkstone Park Golf Club

Andy Hughes - Captain

Julie Wales - Lady Captain

Thank you for your interest in joining Hawkstone Park Golf Club. We would like to introduce to you the range of benefits you will receive for your subscription to the club - a fee of just £70 per year.

Firstly, we would like to stress that we pride ourselves on being a friendly and inviting club. Whether you are a beginner, an established player, returning to the game, a young person starting out in the game; or indeed someone who just wants to enjoy the social side of the game, Hawkstone Park is here to welcome and encourage you. Our club really does cater for all abilities and, most of all, we want people to have a great time here - both on and off the golf course.

We are very fortunate to offer a choice of two exceptional courses plus our six-hole Par 3 course, the Academy, all set in an area of outstanding natural beauty. There is also a driving range and a dedicated practice area. We also have one of the country's most-established and accomplished golfing professionals, Keith Williams, on-hand to help you improve your game.

Our club also has an illustrious history of Shropshire golfers who over the past 40 years have kept our club's name in the national headlines. Hawkstone Park has been home to golfing legend and double Major winner, Sandy Lyle; Michael Welch - one the country's greatest ever young amateur golfers; and most recently, Ashley Chesters, who over the last two years has put us firmly on the map again with back-to-back European Amateur titles and appearances in The Open - finishing in a remarkable 12th position last summer at St Andrew's.

We really hope you will join us at Hawkstone Park - it is a special place to play golf and where, we know, you will meet many new friends and enjoy numerous memorable days.

We can also arrange for you to meet one or two club members who will be happy to show you the ropes, introduce you to other members and ultimately make joining us a care-free and enjoyable experience.

In the meantime, please see the reverse of this postcard for a snapshot of membership benefits and how to get in touch with us.
