

International Membership (Maximum 6 months) - 2019

International membership of Woodford Golf Club provides 7 day golf for a person whose permanent address is in a foreign country and has temporally relocated to the UK.

This is for a period not exceeding 6 continuous months in any one year.

For £7.69p a round if you play twice a week in the 6 months – you can play our delightful woodland course as a 7-day member.

There is the opportunity to enter regular club competitions, to play in matches both home and away against other local golf clubs, to obtain an official handicap, to eat in our restaurant and to participate in the many and varied social activities arranged by the club.

In addition members can save appreciably on bar bills, for by using the club-issued swipe card, members get **around a 20% discount on normal beer, spirits and wine prices**. Note.(Bar Card Levy payment which can be used for coffee tokens or at the bar.)

The Main Features of International Membership are:

- No entrance fee for membership.
- 7 day unrestricted membership for both men and women for a maximum duration of 6 months in any year.
- Play in all competitions or just with your friends.
- 20% Bar & Social Discount Card.
- Membership England Golf.

- Member must have a permanent address abroad and has temporally relocated UK.

International membership.....£400 + Bar Card levy (£50) for 18's and over.

Remember: you do not have to have a handicap to become a member. As part of becoming a member a handicap can be acquired.

Tee times are bookable by the Club Web site, Pro shop, Main office, Phone, Bar Computer or Internet for competition entry and casual play (and you are not forced to enter competitions – it is entirely up to you). As long as the tee is not closed – such as for a competition, a club match, or certain Ladies or Senior's fixtures or pre-booked – you can just turn up and play but **you must report to the Pro Shop, Main office or Bar, they will book you in on request before you play.** The only exception is for a 7 day member to facilitate practice in a practice area or play singularly on the course where the player will have no standing on the course and must stand aside and let other players play through.

At certain times of the day there are usually a number of members who gather for a friendly (yet often quietly competitive) round, over 9 or 18 holes.

On becoming a member, if you do not know any other members, we will arrange for you to play with at least one other member of a similar level of golf as a way of introducing you to both club and course (if you have not played it often or at all before).
