

## SIZZLING SUMMER BALL AT LGDGC

It was back to the good old days at LGDGC on the 16<sup>th</sup> June, when a sell-out Summer Ball was held at the Club.

In glorious sunshine, the event, kindly hosted by Captain and Lady Captain commenced with a champagne reception followed by a fantastic meal.

The entertainment was provided by Smooth Chalk - a trio whose music kept the dance floor full till the early hours. It was a real party night thoroughly enjoyed by all.

We share a selection of photos of the event.

We hope to organise at least one more event before December - watch this space!

The House Committee would be delighted to receive any suggestions or recommendations for possible future events.
