Club Officers 2018 /2019

President Mr P A Jackson, Captain Mr D Wilkinson, Lady Captain Mrs P Hand, Rabbit Captain Mr J Hoyle

## *Mr Captains Blog* *David Wilkinson*

Hi fellow members,

The season is underway and the sun has begun to shine. There are new faces about the Club please do all you can to make them feel welcome and one of us. It was good to see some ladies taking part in the Monday night roll up. Long may it continue.

The course is looking great and as David Crowther said to me, "The course has never looked tidier than now in all the time he has been at the club". The steps, the paths, the rough, the bankings, the verges are all looking a lot lot better. The fairways and greens compared to other local courses are also looking very good given the rain and delayed Spring we have had.

Some guys the other day were asking me about Tombola prizes for the Captains' Charity. Pat Hand, Lady Captain and I are keen to make a big effort for our chosen charity. We are running two Tombola events during the course of the year to support **Overgate Hospice**. One will be part of the Captain's Weekend on Saturday night June 23rd and the other at the Captains' Charity weekend on Saturday September 22nd. **So we desperately need your gifts now please.** We are perhaps top heavy on the Golf Balls and Bottles of Wine so please bare this in mind but all gifts are Two new dates for your Golf Diary. Mr Vice is organising a Vice Captain's day for the Gentlemen on the 25th August and a Ladies day on September 13th neither of which are in the Club Diary.

The Hundred Club is up and running with 70+ people already signed up. Well done the Rabbit's Section and what a tremendous response from members. Congratulations to the three lucky winners of the first draw and the best of luck in future draws. If you haven't joined there's still time to be in the next draw.

I have also booked Baines Hall for next years Annual Dinner and Prize Giving together with a Ceilidh band on March 9th 2019. Keep the date free. Again it's not in the diary. So until the next time - the fun part is hitting the ball but the fewer you hit the more fun you have!!

David Wilkinson

Best Regards David Wilkinson

11<sup>th</sup> April 2018

Dear John,  
Reference Number: GEN01868977

Thousands of Servicemen and women are living with injuries and illnesses – both physical and mental – each and every day. Together with their loved ones, they continue to need our help to cope with the challenges they face. Your support means they won't have to battle alone.

On their behalf, please let me thank you so much for your donation of £800.00, raised from your 80<sup>th</sup> Birthday Celebrations. This will help to ensure that every single Hero – serving and Veteran – gets support that's designed especially for them and their recovery.

Long-term recovery is more than repairing damaged bodies and minds; it's about rebuilding lives. Our mission is to deliver an enduring network of support to help our Heroes with their challenges and to go on to live active, independent and fulfilling lives. This is at the heart of everything we do.

From Bernie, and every other Hero we support, thank you for making a difference:

**"Thank you with all my heart for being there for me and for others. Please don't go away. One way or another we're going to need you for the rest of our lives."** Bernie Bambury, H4H beneficiary.

With our very best wishes,

On behalf of Team H4H

#### **LADY CAPTAINS'S REPORT FOR MAY**

Work continues in the Ladies Locker Room, and thanks to so many amazing people who have willingly given their time, skills and donations, it has been "transformed".

Well done to Ruth Jackson who won Medal 1 with a fabulous score of 63, what a great start to her season.

Ryburn Ladies Pat and Lizzie hosted a Spring Meeting of Lady Captains and their Vice Captains on Friday 27<sup>th</sup> April but sadly the golf was cancelled due to horrendous weather – so we all enjoyed "afternoon tea" in the Clubhouse.

As we were unable to have the planned hot Ladies Dinner (due to not having an oven) an alternative 3 course meal was provided by Handy Catering. A fabulous evening was enjoyed by all 21 ladies.

Ladies First Open of the season – 4BBB – was held on Thursday 3<sup>rd</sup> May

What a triumph for Ryburn:

Pat Hand (Lady Captain) and Pam Wadsworth came 1<sup>st</sup> with a Stableford score of 42 and Val Simmons and Sue Halstead came 3<sup>rd</sup> with a score of 37. Crow Nest came second with 38.

Congratulations to all.

**GREENS REPORT.**  
**Greens Chairman Mr Neal Hesselden.**

***NO SPEEDING ON  
THE NEW HIGHWAY  
WITH YOUR BUGGY OR TROLLEY***

If I'd known what a great response I would have had when I started the path fund I might have had second thoughts. The response from you the members and the support I received was beyond comprehension. But, why am I surprised, once again the generosity of the members shone through and the money just kept coming. I started with a task which was to renovate the path adjacent to the wall alongside the sixth tee / tees and ended up with sufficient funds to renew the path to the tenth tee, the steps to the 10<sup>th</sup> competition tee, the path alongside the 4<sup>th</sup> tee, the path to the first competition tee and the path on the second fairway road crossing. Finally the money ran out, so we can now concentrate on getting the course into tip top shape for the season ahead.

Of course I couldn't have achieved these objectives without the support of the members and a small but very motivated team of volunteers. My thanks go out to;

Mr Captain David Wilkinson, John Kitson, (not forgetting Linda Kitson for providing the milk for the teas and coffees along with the biscuits to keep us going) Terry Lee, Malcolm Ellis, Dave Crowther, Ray Attiwell and not least but foremost our new Greenkeeper Tony Richardson. Tony brings a broad spectrum of experience and expertise to the role of greenkeeper, not to mention a mass of enthusiasm, so please give him your support and feedback where appropriate. Welcome Tony I'm looking forward to working with you this season and into the future.

Thanks to one and all and have a great season's golf.

N Hesselden, Greens chairman.

## GREENS REPORT.

Greens Chairman Mr Neal Hesselden.

### Greens Notice

We have now been made aware that England Golf has issued the following message about extending the Winter Rules until end of May if required.

This information is also available on [www.englandgolf.org](http://www.englandgolf.org) -Handicapping.

### Preferred Lies

**Due to the extremely wet conditions experienced throughout the Country this winter, it has been agreed that permission for the use of 'winter rules' in qualifying competitions will be extended beyond 30th April through to 31st May.**

**Clubs should assess the requirement for the use of the extension on a weekly basis, and not use the Local Rule(s) beyond what is necessary.**

**Please draw the attention of the club to their responsibility to inform ALL their members of the Local Rules prior to play; and to inform all members when the Local Rules are lifted (to prevent any breaches during play).**

**Please refer to the 'Winter Rules' which are approved by CONGU for use in qualifying competition:**

### **Appendix 1 Part A 3a**

**Appendix 1 Part A 3b - only on closely mown areas, and within 6".**

**Preferred Lies will therefore remain in place until further notice up to but not beyond the 31<sup>st</sup> May.**

**In the event that ground conditions improve significantly before the 31<sup>st</sup> May then preferred Lies will be removed. A further notice will be issued to this effect.**

**Greens Chairman 27<sup>th</sup> April 2018.**

### Did you know ?

The average number of ball marks made on greens per round is 8 per golfer. Assuming only 130 rounds are played each day on your course, your greens receive 1,040 impressions daily, 31,000 per month or more than 374,400 per year. Are you wondering how to make a putt under these conditions ?

## The House Chairman's Report John Coupe

### About the House

#### Kitchen Update.

We now have a 3 phase electrical connection in the kitchen in preparation for the new cooker which we expect to be installed very soon. Thanks to Mr. Captain and Malcolm Ellis for repainting the kitchen walls and ceiling and repairing the broken tiles.

With regards to food requirements I would ask that individuals speak directly to John Kay about their requirements or advise him if you are thinking of making alternative arrangements. This should prevent any confusion.
