

WOODFORD GOLF CLUB PRESENTS ON 5TH AUGUST 2017

ROD STEWART TRIBUTE ACT BY GREG DORRELL

Greg Dorrell is probably the finest Rod Stewart tribute act in the country. Others may look a little like Rod, some may even have some of the vocal qualities, but none have the same natural ability to sing in that inimitable style.

Greg Dorrell brings an energy that will leave the memory of a fantastic evening with you for years to come. His repertoire is enormous from the Rod Stewart Classics of the late 60s and early 70s such as "Maggie May", "You Wear It Well" and "You're In My Heart" to the highly successful middle years and wonderful songs like "Sailing", "Hot Legs" to Rod's later years with tracks such as "Downtown Train" and "Forever Young".

Book an evening with Greg and be assured that you can sit back and enjoy the performance of a talented and highly entertaining performer and one of the finest Rod tributes you will ever hear!
