

Clackmannan County Golf Union

Green Fee Savers Ticket

2014

Clackmannan. C.G.U. in agreement with the clubs within the county. We will again be introducing a Green Fee Savers ticket at a cost of £10. These can be obtained from your Club or direct from Sam Kinnaird

The objective of this ticket is to raise funds for boys coaching i.e. £5 towards the club and £5 to the County boys

This ticket will allow you two rounds at each participating clubs. At the cost of a members guest ticket. This will be between £5 / £10 per round

There will obviously be certain restrictions

- a) You can only play twice at any one club
- b) You will require to book a starting time i.e. phone the Professional or the Starter

This ticket is a good saving on normal green fees to you with the income going to support boy's golf. I am sure you would consider this worthwhile and purchase a ticket thereby supporting boys golf within the County

Sam Kinnaird
